SMART CLIP 35

Datasheet

Deutsche Qualität - German quality

SMART CLIP PREMIUM 35

INTENDED USE

U-clip for fastening underfloor heating pipes of 14 to 20 mm diameter onto insulation panels and tacker foils. Fitted with a tacker machine from a standing position, it holds the pipe in place until the screed is poured.

PRODUCT ADVANTAGES

- Compact special design
- Active anchor system for a firm grip in the insulation panel
- 2D foil-railing system according to EN 1264-4
- Diamond tip for perfect perforation
- Universal use in all common tacker machines
- PP / B500 high-technical compound, resistant from –5 °C to +45 °C
- Made in Germany

TECHNICAL SPECIFICATIONS

Parameter	Value
Model	U-clip for pipe diameter 14–20 mm
Total length	35 mm
Material	PP / B500 high-technical compound
Temperature range	–5 °C to +45 °C
Colour	Black
Magazine	30-clip taped version
Packaging	300 pcs per box, 144 000 pcs per pallet
Compatibility	Universal use in all common tacker machines
Characteristics	Special design, active anchor, 2D foil-railing, diamond tip
Origin	Made in Germany
